

When the Spirit Calls

Words: Marco Vella

Music: Marco Vella & Charlot Scicluna

Band: His project

If we sing and pray
But nothing else is done
If we think that feeling good
Is safe and sound

Well, believe me that's not true
You know he's chosen you
To say that Jesus is the Father's son
To say that He's the only one

When the Spirit Calls
It's time to put all hands on deck
When the Sprit calls
It feels you're on the road again

When the Spirit calls
We live forever
When the Spirit calls
We'll be together
When the Spirit calls
All evilness falls down

Don't be afraid to face the crowd
Don't be afraid to say it loud
That you believe that He's the One

..... Say it.....

I'm not afraid to face the crowd
I'm not afraid to say it loud
That I believe that He's the One
Yes I believe that He's the One

When the Spirit Calls
It's time to put all hands on deck
When the Sprit calls
It feels you're on the road again
When the Spirit calls
We live forever
When the Spirit calls
We'll be together
When the Spirit calls
All evilness falls down
