

Pour down

Words & Music: Benjamin Gatt

Band: EFG

Verse 1

Humbly we kneel before you
Thirsty for your love, burdened
with Sin, unworthy of your grace.

Verse 2:

The cross you bear testifies your great love
What greater love to witness,
To spread across the earth?

Pre chorus:

Want to lift my hands to worship
Want to lift my hands to praise
Entrust my life to you! (last verse X2)

Chorus:

Holy Spirit descend on us,
Pour down like rain, Anoint us,
Holy Spirit descend on us,
So we may light up the world with hope.

Bridge:

Be a witness to me
Be a witness to me
My spirit will guide you along the way
Be a witness to me
Be a witness to me
Fear no man, for faith will pave the way.
