Of your grace.

The cross you bear testifies
Your great love
What greater love to witness?
To spread across the earth?

Want to lift my hands to worship

Want to lift my hands to praise

G D Em C
Entrust my life to you!

Holy Spirit descend on us,

G D Em C
Pour down like rain, anoint us

G D Em C
Holy Spirit descend on us,

So we may light up the world with hope.

Humbly we kneel before you
Thirsty for your love,
Burdened with sin, unworthy
Of your grace.

Your great love
What greater love to witness?
To spread across the earth?

Want to lift my hands to worship...
